

# Dunn Street – Glasgow

MAST Architects - Thenue Housing Association

## Project Information

Type of Building: 3-storey new build apartment block x 3  
Glazing System: Windoor System 1000 Light  
Quantity: 16 sunspaces and 8 corner sunspaces  
Construction: Sunspaces are located on the corners of all buildings, with two stacks spanning four floors on each block. The sunspaces feature storey high elements with full height sliding folding opening clear toughened safety glass. 8 of the sunspaces also feature a glazed return. A powder coated steel balustrade is fixed externally to the system to form a Juliette balcony.

Completion Date: 2013
