

# Laurieston – Glasgow

Elder & Cannon Architects - McTaggart Construction - New Gorbals HA

## Project Information

Type of Building:	4 storey new build apartment block
Glazing System:	Windoors System 1000 Light
Quantity:	7 sunspaces
Construction:	Sunspaces with elements to the front and sides. Upper sections feature clear toughened sliding folding opening glass. Balustrade section to 850mm is glazed with partially obscured laminated float safety glass. A tensioned stainless steel wire and an external powder coated aluminium hand rail bring balustrade height to 1100mm. Top floor sunspaces incorporate an additional fixed glazed fanlight. Aluminium pressings to the perimeter. A sunspace is an unheated enclosed outside space.

Completion Date: 2014
